

## Free **Rossiter** Mini-Session

### **Rossiter**

- Works on the body's connective tissue to restore it to its natural state increasing mobility and relieving pain.
- Is for you if you have a desire to get rid of pain naturally and are willing to work at it.
- Will free your body up, to move like it is supposed to naturally giving you more energy.
- Can give your joints the space they need to avoid surgeries.

### **Rossiter Can Relieve:**

- **Back pain/sciatica** • **Knee pain**
  - **Neck/shoulder issues** • **Tennis elbow**
  - **Plantar fasciitis** • **Tight muscles**
  - **Overuse injuries** • **Numbness/tingling**
- And more!**
